

EARN POINTS FOR THE COVID-19 VACCINATION

As the COVID-19 vaccine becomes more widely available, it's clear that it will be a critical tool in the efforts to help stop the spread of the virus. With that in mind, we are excited to offer members who choose to get vaccinated the opportunity to earn 500 Vitality Points – 250 for each vaccination dose received.

HOW TO EARN VITALITY POINTS FOR THE COVID-19 VACCINATION:

- 1 To earn points for the COVID-19 vaccination, please submit one of the following forms of supporting documentation.
 - A completed Prevention Activity form that has been signed by the medical professional who administered your vaccine.
 - A medical record from your vaccination provider showing that you received the vaccine.
- 2 You can submit proof of your COVID-19 vaccine online on PowerOfVitality.com under Your Account > Forms & Waivers > Prevention. Alternatively, you can email (wellness@powerofvitality.com) or fax (877.224.7110) your documents.

Please note: *The COVID-19 vaccination is worth 500 Vitality Points. Vaccines that are received in two doses are worth 250 points for each dose. You must submit proof for both doses to receive the full 500 points. Vaccines that are received in one-dose are worth 500 Vitality Points.*

FREQUENTLY ASKED QUESTIONS

When can I get the vaccine?

The availability of the vaccine is changing rapidly and may depend on your location or risk of exposure. Contact your local health department for more information or learn more [here](#).

Can I earn points no matter the type of vaccine I receive?

Yes. Learn more about the different vaccine types [here](#). We award to the date of service, and not the date of submission.
